

DISPATCH 25X1A9a		25X1A6	
TO	AD/RR, ATTN: Chief, FE		
FROM	25X1A2a Chief of Station, [REDACTED]	22 Jan 60	
SUBJECT	Intelligence Sanitization of Material for Liaison Passage	RE "43-1" - (CHECK TO OMB) RE "43-1" - (CHECK TO OMB) NO INDEXING REQUIRED NO INDEXING REQUIRED NO INDEXING REQUIRED NO INDEXING REQUIRED	
ACTION REQUIRED	See below		

25X1A6a

[REDACTED] requests guidance as to the feasibility of passing a sanitized version of Current Support Memorandum No. 69/59 Sino-Soviet Trade, 1958-59 to the [REDACTED]. Since the report is apparently based on open source materials it seems that removal of the cover sheet and page five, along with removal of the identifying legend at the bottom of each page, would render the report suitable for liaison passage.
